Ottawa 10th February, 1912.

Copy for A.D.L. Edmonton Ref. 179304

Sir;-

Replying to your letter of the 15th ultimo with further reference to the fractional S.E.¼ of 33--51--5-- W. 5th M., I am directed to say that it is contrary to the practice of this Department to permit of an addition being made to a homestead which may be short of the theoretical area of 160 acres. I am also to add that by selling this fractional quarter section, south of the river, to you the Department considers it would be giving you too extensive a water frontage to the detriment of the neighbouring settlers.

Your obedient servant,

Assistant Secretary.

Re: Account of Peter N. Holm
N.E. 34-11-2-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1[illegible], 1921 and 1[illegible] seed grain amounting to $337.[illegible] was advanced to Peter N. Holm on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 337.00	$ 734.30	$ 1,06[illegible].30

The N.E. 34-11-2-W4 was formerly the purchased homestead entry of Peter N. Holm on which security he obtained advances of seed grain in 1[illegible], 1921 and 1[illegible]. His entry was cancelled on the 12th of May 1[illegible] and the land is still unalienated Crown Land held in the right of the Province.

The land was posted for grazing purposes and is under the jurisdiction of the Department of Lands and Forests, Province of Alberta. It is still vacant and no longer being operated. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

MEMORANDUM,

Mr. Hume.

Re, N.E.¼-32-12-9-W 4th M. North of River.
S.E.¼- 5-13-9-W 4th M. North of River.

The Agent at Medicine Hat communicated with the Department on the 20th September last requesting authority to have the above lands made available for settlement.

The Agent stated that a notation was made in his books referring to the Departmental communication dated the 20th May, 1914, which apparently contained instructions for the reservation of the lands.

A thorough search was made in our records, each of the various Branches being consulted, but no record can be found of the letter referred to by the Agent or of any instructions to have the lands reserved for any purpose.

As it would appear that the landwas reserved in error, should not the Agent be instructed to post the same in accordance with the regulations, provided he knows of no reason to the contrary.

The Fr.S.E.¼-5, North of the River contains an area of nine acres only. The balance of Sec.5, is reported as the pre-emption entry of James B. Austin, whose homestead entry for the N.E.¼-32-12-9-W 4th M., was cancelled on the 6th June last.

I am in receipt of your communication of the 24th ultimo, and in reply to inform you nothing was collected from the re-entrant for improvements effected by you on the land above described.

The official who reported in this regard set out that you bought the shack that was on the land from one, Geo. Cay of Winnifred, Alta., never paid for it, and that Mr. Cay moved it off, and further that the sixteen acres of breaking had gone back to prairie and was of no value at time of re-entry, and that the fencing was broken and on the ground and of no value either.

Under the circumstances nothing for improvements was collected from the re-entrant, and there is, therefore, no money with the Department to your credit on this account.

Entry granted-13th June, 1917.

The entrant in this case made application for patent on the 15th July, 1920, claiming duties completed as shown on form #68A. marked. The application for patent however has been held up pending receipt of the entrant's certificate of Naturalization as a British Subject.

Cancellation proceedings were instituted against the entry on behalf of the Department on the 14th September last on the grounds of failure to furnish his certificate of naturalization. No defence has been filed.

The Agent now asked to be advised as to what action is to be taken in connection with the proceedings outstanding. The land is in area "A".

Dear Sir:

Re: NE¼ 32-12-9-W.4th Mer.

Your file No. 25579[illegible]

I am in receipt of your letter of the 26th ultimo, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

The above quarter section is included in Grazing Permit No. 5198, which is held by P. M. Papson, of WINNIFRED, Alberta. This permit expires on the 31st of March, next, but Mr. Papson has renewal privileges.

This land is located outside of the homestead lease or settlement area, and it is not likely that it will again be used for farming purposes.

Re: Account of B.L. Edwards
[illegible]

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1[illegible]0 seed grain amounting to $140.40 was advanced to B.L. Edwards on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 140.40	$ 311.95	$ 452.35

The N.E. 34-1[illegible]-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 9th of April 19[illegible], and is still Crown Land held in the right of the Province.

In reply to our questionnaire of the 26th of May 1952, V.A. [illegible]d, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The above quarter section is included in Grazing Permit No. 9198, which is held by P.M. Rapson, of WI[illegible]D, Alberta. This permit expires on the 31st of March, next, but Mr. Rapson has renewal privileges.

This land is located outside of the homestead lease or settlement area, and it is not likely that it will again be used for farming purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Sir,-

S.W. ¼ Sec. 24 Tp. 71 Rge. 9 West 6th Mer

Referring to your application for the privilege of taking up a Second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent for their homestead entry on or before the 31st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or fuel, the loans taken under the authority of this letter will be subject to such indebtedness.

Sir,-

S.W. 1/4 Sec. 24 Tp. 37 Rge. 5 West 5 Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the present session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or had become entitled thereto on or before 1st January, 1916, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent and you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for such vacant and available quarter section of Dominion lands on the usual terms, provided there is nothing to the contrary.

I may further point out that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or cattle, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Sir,

S.E. [illegible]-12-1-7. 4th W.
S.W. [illegible]-13-1-7. 4th W.

Would you be good enough to advise me whether your Department is in a position to afford us any assistance in locating the heirs of the late Joseph Amrin, formerly of Irvine, Alberta, who enlisted in the Canadian Expeditionary Force and was killed in action on the 29th November, 1915. Mr. Amrin was a native of United States of America, having been born in New Jersey, it is stated. At the time of his enlistment he gave the address of Miss Hetty Amrin, of Lancaster, Wisconsin, U. S. A., as his next of kin, although the military authorities report that the name of William Amrin, of Bayonne City, New Jersey, was given by the recruit as next of kin, but the relationship was not stated.

During his lifetime Mr. Amrin obtained Homestead and Pre-emption entry for a half-section of Dominion Lands in the Province of Alberta, and following receipt of information concerning his death, patent for the Homestead issued on the 11th July, 1916, in regard to which notification was addressed to Mr. William Amrin, but the same was returned by the Postal authorities as unclelivered. With regard to the Pre-emption, nothing can be done pending completion of payment of the purchase price, and every effort has been made to locate the heirs of Mr. Amrin but without success. The Department has been in communication with the Postmasters at respectively Lancaster, Wisconsin, Chelsea, Wisconsin, Lenoch, Utah, and Bayonne, New Jersey, but these officials report that they have no knowledge of either Mr. William or Miss Hetty Amrin.

Sir,

I beg to acknowledge the receipt of your letter of the 3rd ultimo wherein you state you are desirous of locating a pre-emption entry in the Canadian Northwest, having obtained patent for your homestead, the N.E. ¼ of Section 30, Township 55, Range 20, West of the Fourth Meridian, some time ago, and in reply regret to say that your request cannot be granted as according to the regulations, a pre-emption entry must adjoin a settler's homestead within the area set apart for such purposes, and as your quarter section is not within the pre-emption district, nothing further can be done in the matter.

Sir,-

Re: N.E. ¼ of Sec. 28 Tp. 71 Rge. 6 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

FROM LANDS ADMINISTRATION

OTTAWA,

Sir,-

¼ S.E. Sec. 30 Tp. 71 Rge. 13 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Arthur Adelbert Chapman, Esq.,

Sir,-

N.½ 4 Sec. 33 Tp. 70 Rge. 10 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1923, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Sir,-

J.E. ¼ Sec. 16 Tp. 73 Rge. 8 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

OTTAWA, 4th December, 1928.

Sir,-

S.E. ¼ of Sec. 1 Tp. 72 Rge. 11 West 6th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1921, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

I beg to enclose herewith the application of Ancel M. Bezanson to purchase the Fr. N.W.¼ of 27, Tp. 71, R. 4, W.6th M., which fraction immediately adjoins his homestead the N.E. ¼ of 28, in the same Township.

In this connection I may say that Mr. Bezanson has been a squatter on these two sections for the past four years, and when the survey was made found that his buildings and part of his breaking were on the fraction while the balance of the breaking was on the N.E.¼ of 28. Under the circumstances he wishes to have the time spent before survey on the Fr. N.W.¼ of 27 count as residence when making application for patent for his homestead, and I would ask you to advise him if this can be done and whether his application to purchase may be considered

With reference to your application forwarded here by the Agent of Dominion Lands, Grande Prairie, I am directed to inform you that it has been decided to permit you to purchase the fractional N.E.¼ of Section 27, lying west of the river, Township 71, Range 2, West of the 6th Meridian, which contains an area of 63.7 acres, at the current rate of $7.00 per acre.

The sale shall be made subject to your earning title to your homestead, the N.E.¼ of Section 28 of the township in question, and should your entry be cancelled for the non-fulfilment of the homestead conditions, any money paid on account of this purchase shall be forfeited to the Crown.

Either the whole of the purchase money should be paid to the said Agent of Dominion Lands, on or before the 15th proximo, or one-quarter of the amount within that time limit, the balance, with interest thereon at 5% per annum to be payable in three, equal, annual instalments.

Your request to have the time spent on the N.W.¼ of Section 27 before survey counted as residence on your homestead will be dealt with in a separate communication to you.

DOMINION LANDS ADMINISTRATION
NOV 20 1928

Sir,-

S.W. ¼ Sec. 16 Tp. 71 Rge. 10 West 6th. Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

George Ray, Esq.,
Hillcrest,
Alberta.

DOMINION LANDS ADMINISTRATION

OTTAWA,

Sir,-

Sec. Tp. Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

CANADIAN PACIFIC RAILWAY COMPANY

LAND DEPARTMENT

WINNIPEG, MAN. Nov. 14, 1911. T.M.

A. J. Hills, Esq.,

Daysland, Alta.

Dear Sir:-

You are purchasing from the Company SE31-45-16W4 - 33.25 acres, under Agreement No. 18219. The area in the Contract accords with that shown in the original Government plan of survey, and with the patent which has issued to the Company.

I am now notified by the Secretary of the Department of the Interior that in June last a new survey of this and other townships was made and the plan when issued will show the area of the S.E. Quarter of 31, 80.40 acres.

The Secretary asked me to state whether we shall want the additional areas as part of the Company's land subsidy and notifies me that if the Company is not heard from within thirty days from the 7th of November in regard to the matter, the agent of Dominion Lands at Edmonton will be instructed to grant entries.

I have advised the Secretary of the Department of the Interior of the position of this land in our books and have told him that this Company will not want the additional area, but that you will probably wish to acquire it from the Government.

I would suggest that you communicate with the Secretary of the Department of Interior, Ottawa, at once, regarding the position you wish to take under the circumstances.

Yours truly,

F. T. Griffin,

Land Commissioner.
